The average adult requires approximately 2,000 calories per day, however, individual calorie needs may vary.												
Please Note: Cornmeal is used during the baking process of our bread.												
Disclaimer: Nutritional information is calculated based on Jersey Mike's Subs standardized recipes and has been rounded for consistency with Health Canada labeling regulations. Our products are handcrafted and may be customized. Variations in serving sizes, preparation techniques, ingredient substitutions, product testing, sources of supply, regional and seasonal differences, and other factors may affect the nutrition values and ingredient contents for each product. While a particular product may not contain a particular allergen, it may be prepared on the same equipment and in the same kitchen area as products that do contain that allergen. Cross-contact with allergens is possible and neither we nor our franchisees nor any employees assume responsibility for sensitivity or allergy to any food item. This document reflects information for our products as of November 2025.
